| ? NET CAPACITY | 160 LT |
| ? TEMP. RANGE | 0°C/+10°C |

Product description:

This Thin Cooler beverage showcase refrigerator combines technology, innovation, and design, and is available in two colors: white or black.

It features static refrigeration with an agitator and has an internal capacity of 160 liters.

The structure is made of galvanized steel, with a single door with frameless glass, automatic closing, and safety lock.

The temperature is electronically controlled with a digital thermometer, and automatic defrosting stops the compressor.

Internal illumination is provided by a vertical LED light.
