Product description:

This ICOOL 80 JUMBO glass door fridge combines technology, innovation, and design.

It is available in two colors: white or black, and features a ventilated cooling system.

It has an internal capacity of 654 liters and the exterior structure is made of painted steel, while the interior structure is made of painted aluminum.

The double door has frameless glass and automatic closing.

Temperature regulation is electronic with a digital thermometer, and defrosting is automatic with compressor stop.

It has internal illumination with four vertical LED lights.

Model:

Model: White double ventilated door | W94 x D63 x H198 CM, Black double ventilated door | W94 x D63 x H198 CM

Cod.: SV5476, SV5478
