Product description:

This showcase refrigerator for wines, CLW800V2GL, combines technology, innovation, and design.

It is available in three colors: whitewashed ash, raw fir, and medium walnut, and features static refrigeration with a fan.

It has an internal capacity of 604 liters, and the external structure is made of pre-painted anti-corrosion sheet metal with an ABS interior.

The glass doors have a side-recessed handle and automatic closing.

The temperature is electronically controlled with a digital thermometer, and the defrosting is automatic with compressor stop.

The interior lighting consists of four vertical LED lights.
