Product description:

Represents a true "must-have" for venues looking for a versatile and captivating option.

With the capacity to host up to 6 dispensing points and a 5/8" thread, this stainless steel TOWER offers impeccable performance.

But what makes it truly special is its simple and sophisticated design, which ensures optimal visibility and unparalleled functionality.

Thanks to its unique shape, the Valencia TOWER becomes the focal point of the environment, capturing the attention of customers and providing a perfect pouring experience.

Moreover, it's equipped with luminous medallions that enhance visibility and contribute to making the environment more captivating.

It combines style and practicality in an unparalleled way, making the venue unforgettable.
