Product description:

A masterpiece of minimal and functional design.

With a single dispensing point and a 5/8" thread, this TOWER features a flat tap that gives it an even more modern and essential look.

Made entirely of stainless steel, it is synonymous with durability and reliability.

Moreover, it's equipped with luminous medallions that enhance visibility and contribute to making the environment more captivating.

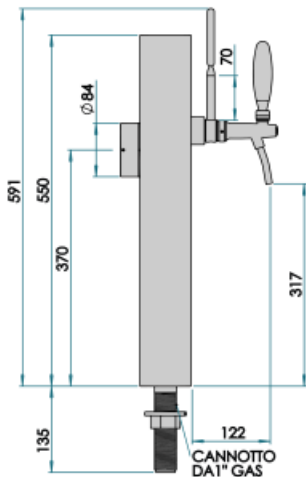

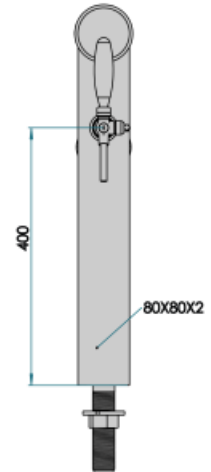

The Quadro Flat TOWER harmoniously blends into any environment thanks to its square and clean shape, representing the ideal choice to combine aesthetics and high-quality performance.
