Product description:

Represents a true "must-have" for venues looking for a versatile and captivating option.

With the capacity to accommodate up to 6 dispensing points and a 5/8" thread, this stainless steel TOWER offers impeccable performance.

But what makes it truly special is its simple and sophisticated design, ensuring optimal visibility and unparalleled functionality.

Thanks to its unique shape, the Valencia TOWER becomes the focal point of the environment, capturing customers' attention and providing a perfect pouring experience.

It combines style and practicality in an incomparable way, making the venue unforgettable.
