Product description:

Here is the ideal solution for those seeking a Marmitta TOWER with multiple dispensing points.

With its capacity to accommodate 4 dispensing points and a 5/8" stainless steel thread, this TOWER offers greater flexibility in managing the beverages to be dispensed.

The design inspired by an automotive exhaust pipe adds a touch of originality and style to the venue, capturing the attention of customers.

The Marmitta Flag TOWER is synonymous with functionality and reliability, making it the perfect choice for those who want to maximize visibility and efficiency.
