Product description:

A masterpiece of engineering and design, inspired by the pistons of automobiles but reimagined with functionality and uniqueness.

With the capacity to dispense up to 2 points, this TOWER is perfect for catering to the needs of a diverse audience.

Made entirely of stainless steel, the Pistone TOWER ensures durability and corrosion resistance, always maintaining top performance.

The 5/8" thread ensures a perfect seal, avoiding leaks and waste.

If you are looking for a distinctive and cutting-edge element for your venue, the Pistone TOWER is the ideal choice.
