### Product description:

Raffaello Deluxe 25 is the new professional beer and beverage dispensing system with an aluminum fusion designed by Savese.

Its compact size and elegant design make it ideal for all types of environments, including domestic settings.

With its dispensing capacity of up to 25 liters per hour and its continuous and immediate cooling technology, it allows you to pour and enjoy your cold beer or beverage without the need for pre-cooling the keg.

Thanks to its low energy consumption and the use of eco-friendly R290 gas, Raffaello Deluxe 25 is the ultimate Green system.
