Product description:

The Faro TOWER is a fascinating and functional option for those seeking a high-quality and unique beverage dispensing solution.

With its capacity to accommodate up to 2 dispensing points and a 5/8" thread, this stainless steel TOWER is synonymous with reliability and superior performance.

But what makes it truly unique is its design inspired by an lighthouse.

This distinctive shape not only enhances the TOWER's visibility but also adds a touch of originality and style to the venue.

The Faro TOWER is undeniably a choice that won't go unnoticed, leaving a lasting impression on your customers.
