Product description:

An extraordinary solution for managing up to 8 dispensing points.

Made with stainless steel and a 5/8" thread, this TOWER stands out for its unique and imposing design, inspired by a bridge that evokes the robustness and grandeur of great architectural works.

In addition to functionality, the Millennium Bridge is also a pride for the venue, capturing attention and leaving a lasting impression on customers.

Moreover, it's equipped with luminous medallions that enhance visibility and contribute to making the environment more captivating.

With the Millennium Bridge TOWER, you can offer an extraordinary pouring experience and convey a sense of prestige and reliability.
